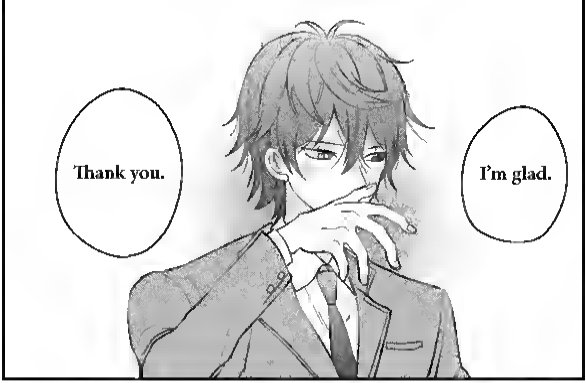
4
Only things I want to hear.



Thank you.
I'm glad.

あおいくん

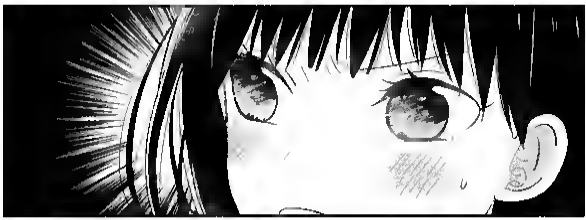
I was really, really happy
At that time,

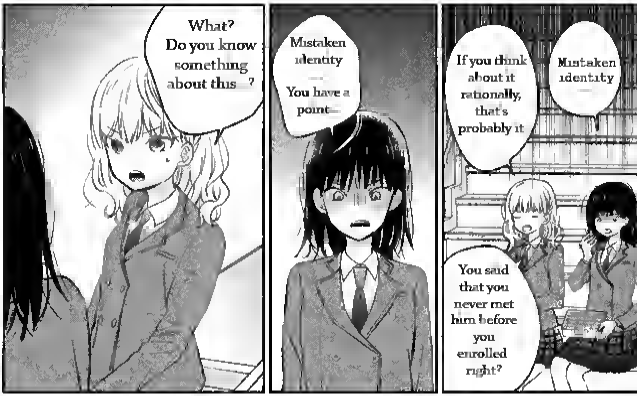
I might end up in tears again because of this

Is his taste in women just that bad?
Or there some other kind of reason...!?

But, why me?
To say the least, I have absolutely no good points

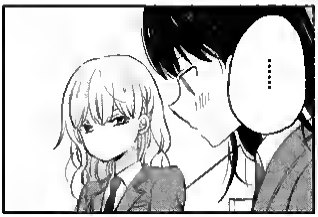
Isn't that mistaken identity?





What? Do you know something about this...?
Mistaken identity — You have a point...
If you think about it rationally, that's probably it
Mistaken identity —
You said that you never met him before you enrolled right?

Twin?
Wouldn't you normally think that the person has a twin or something like that?
Do things like doppel-gangers actually exist?
REALLY? THAT'S WHAT YOU MEANT!?
Wait, you have a twin!?
.....
Ah!
My sister's cute has a good personality... she's flaw less!!
NO!
I wanna see.
I wanna see!!
.....



.....

Oh, she's cute
Doesn't this rule out mistaken identity?

Even though you keep saying that it's just your imagination, what's with your attitude?

If you like him, then why not be honest about it

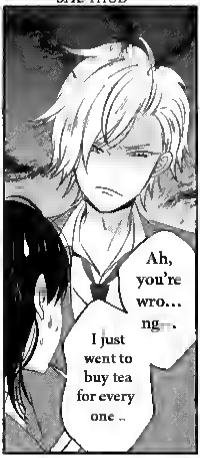
T/N: She uses old-fashioned kanji words.

ハア
ハア

If that's true then, that'll happen again...
No, but it still might actually be mistaken identity.

KER-THUNK
カコン
...Like...
Huh...

SFX: THUD



Ah, you're wro... ng.
I just went to buy tea for every one ..

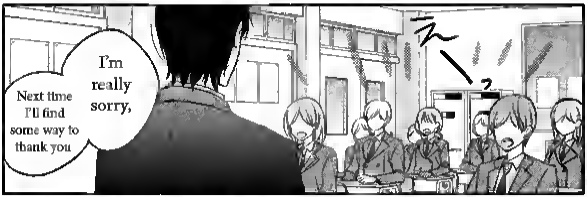
E
E
A

Hey, why did you run away from Aoi back there.

I see.
So you're one of the good ones after all.
Satomi kun doesn't have many friends?
That guy, Aoi doesn't have many friends.
So it's a relief to see you getting along with him.
.....

You won't hear about that from me
Anyways, for his sake I'm willing to do anything,
So if you betray him, I'll never forgive you
Eh?
See ya
. Don't tell him I said that.

I'd like for you to search for my ring,
If I don't find it by this weekend, I'll be in huge trouble.
..Sorry



I'm really sorry,
Next time I'll find some way to thank you

Hmm?
Ah, sorry. I was thinking about something else...
You listening?
Search for some thing he can't find, he said

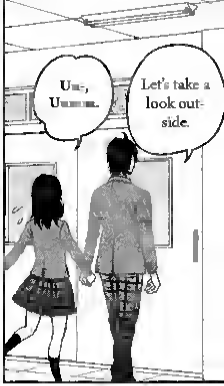
It's not here, does it even exist?
Can't find it~~~~~
Why was Gin-kun so desperate back there?
SNEAK
SNEAK
Is that some kind of a legend?
He, doesn't have many friends right?
Then doesn't that mean that to him I'm equal to nothing?
Unless he means that if he doesn't want a hundred friends, then he can't make any at all?

What are you doing for moth er's day?
I keep thinking of nothing but Satomi-kun
My eyes keep following him
Aoi-kun, what are you gonna get for a present?
I'm getting the same thing I get every year a bouquet.
That's so your style
Your mom must be beautiful just like you.

...Yeah.
Why don't we all go and buy presents together for mother's day!
It'll be like a whole class gathering!
CHATTER
キャハハ
Sounds great!
CHATTER
キャハハ
That way we can all buy matching presents,
Isn't that awesome?
Aoi-kun should come too!
I'm not going.

...Ok.
Could we not talk about this anymore!
Y-Yes!
Mahiru.

Haaaaa.



Um-, Umm...
Let's take a look outside.

.....

What?

No. I was just thinking that you're back to the usual Satomi-kun.

I sure am tired, having to help look for something even he couldn't find.

...Back there you were acting weird.
Huh...
AH!
Talking about it was presumptuous of me, I'm sorry!
I might not be too reliable, but...
I-if you wanna talk or something... we can.
But I can at least become someone you can vent your feelings to!!

AHAHA
Eh,
This isn't something to laugh about
You'll crumble apart
If you're the only one carrying it,

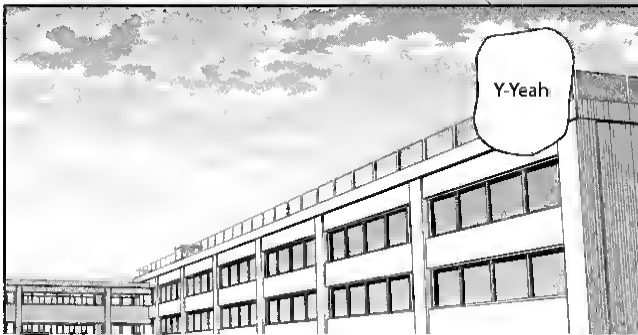
Thank you, Mahiru.

GULP
Huh?

キーンコーン DING DONG

カ DING コーン DONG

Let's head back.
...



Y-Yeah

Where did you disappear to?
Nowhere really,
What about Yanase-san
Oh,
Since I can't find it, I just did what was appropriate
Who's fault do you think this is?
Ganya is seriously looking for it you know
Eh
Ah,
Why are you spacing out over there Yanase-san, did something happen?
Next time something like this happens I'll properly confess.
That's not what your face is saying
ABSOLUTELY NOTHING

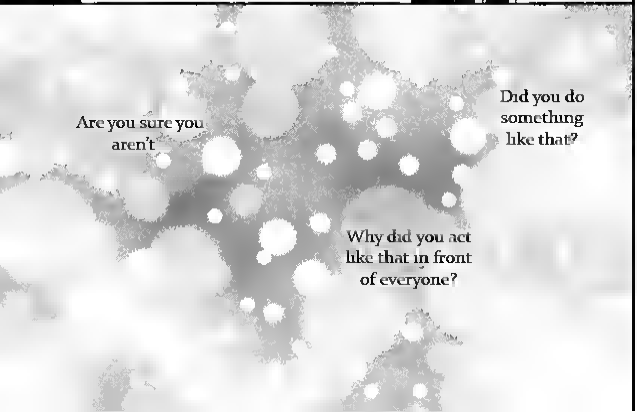
What was that?
I thought he was going to kiss me.
ドキドキドキドキ
SFX: A lot of Dokidoki... ドキドキドキドキドキ
Ughh— My heart's pounding.
I think I'm misinterpreting this but I thought
ドキドキドキドキ
SWISH
ばっ
If I keep having these bittersweet thoughts, aren't I gonna die!? Won't I?

Either way,
I think I might die...

Good morning, Mahiru.
You remember our promise?
RATTLE
UWAAA!
Mineya's, right?
Correct, we always go to Mineya's
Yep.
P-promise?
Next time, why don't we try some place new?

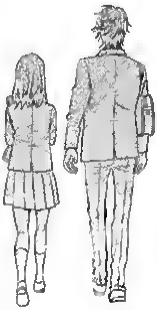
It's gotten quiet.
Was before just my delusion!?
Was it really a delusion!?

Why



Did you do something like that?
Are you sure you aren't
Why did you act like that in front of everyone?

Before I knew it,



My heart was filled with nothing but Satomi-kun

Before I knew it, the things I wanted to hear kept multiplying

T/N: Most popular japanese messaging app

MAYO
I came to the shop you bought bread at before!
Mayo is...
Here.
Sa-Satomi-kun

Let's go home.
Let's stop here for today.

Sick?
Are you okay?
I I feel
But we're right in front of it, did something happen?
What do you mean by feel sick!
If it's not me,

It should be better to find that out sooner than later, but—
Sorry.
I should have thought more about your feelings then—
And about before, Sorry about that too.
Sorry for bringing you here against your will
Let's go home

You see!!
Ah.....

I don't want Satomi-kun to meet her
My little sister came to the store and...

Little sister?
Y yeah We're twins
Ah
My sister is really cute so, I absolutely didn't want Satomi-kun to end up liking her
What am I
I thought that maybe you might have actually liked my sister instead of me
Even saying?

Huh?
Here.
?
The fact that you're saying that you don't want me to meet your sister,
Means that I still have a chance, right?

This one's bit older
These are both of the charms I got from you during Entrance Ceremonies
Yep.
We met before!?
You probably don't remember but I hope you'll believe me know
And the person I like now, are you Mahiru.
That's right,
Both the person I met before,

I'd also like to continue from earlier
May I?
NO, NO, NO, NO, NO, NO, NOOOO-OOO!!!

.....
Yes.

But

This is
enough.

Even if the
world ends,

It doesn't
matter
anymore
